What are the legal basis for processing personal data?

The rules on the protection of personal data (hereinafter referred to as the GDPR¹) are set out, inter alia, in Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016, on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation) (Text with EEA relevance) and the Act of 10 May 2018 on the Protection of Personal Data ² and country related special acts (lex specialis - Telecommunications Law).

Important terms

1. **"Personal data"** - means any information relating to an identified or identifiable natural person ('data subject'); an identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location data, an online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity of that natural person,
2. **"Cookies"** - a cookie is a small text file that the website saves on the user's computer or mobile device when browsing the website,
3. **"Website"** - website provided at the link <https://molecure.com/>,
4. **"Processing"** - means any operation or set of operations which is performed on personal data or on sets of personal data, whether or not by automated means, such as collection, recording, organisation, structuring, storage, adaptation or alteration, retrieval, consultation, use, disclosure by transmission, dissemination or otherwise making available, alignment or combination, restriction, erasure or destruction,
5. **"Controller"** - means the natural or legal person, public authority, agency or other body which, alone or jointly with others, determines the purposes and means of the processing of personal data; where the purposes and means of such processing are determined by Union or Member State law, the controller or the specific criteria for its nomination may be provided for by Union or Member State law,
6. **"Joint controller(s)"** – Joint controller(s) occurs when at least two Controllers jointly determine the purposes and means of processing, they are Joint controllers (art. 26 GDPR),
7. **"Third party"** - means a natural or legal person, public authority, agency or body other than the data subject, controller, processor and persons who, under the direct authority of the controller or processor, are authorised to process personal data,
8. **"Supervisory authority"** - means an independent public authority which is established by a Member State,
9. **"Consent"** - the consent of the data subject means any freely given, specific, informed and unambiguous indication of the data subject's wishes by which he or she, by a statement or

¹ GDPR: <https://uodo.gov.pl/en/514>

² The Act of 10 May 2018 on the Protection of Personal Data: <https://uodo.gov.pl/en/594>

by a clear affirmative action, signifies agreement to the processing of personal data relating to him or her,

10. **"Profiling"** - means any form of automated processing of personal data consisting of the use of personal data to evaluate certain personal aspects relating to a natural person, in particular to analyse or predict aspects concerning that natural person's performance at work, economic situation, health, personal preferences, interests, reliability, behaviour, location or movements,
11. **"Cookies Policy"** - information on the use of cookies on the website run by the Controller. The cookie policy is available on the Controller's website. Cookies may belong to the Controller or to third parties,
12. **"GDPR"** - Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of individuals with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46 / EC (General Data Protection Regulation): <https://uodo.gov.pl/pl/404>.

Who does this Cookie Policy apply to?

This Cookie Policy (hereinafter CP) concerns the processing of personal data of natural persons, website users, collected using cookies on the website or subpages belonging to the Controller.

Who is the Controller?

Please be advised that for the website available at <https://molecure.com/>, the Controller is MOLECURE S.A. with headquarters in Warsaw, address: 101 Żwirki i Wigury Street, 02-089 Warsaw, KRS 0000657123.

Contact details to the Controller

Please send inquiries regarding the protection of personal data to the Controller by traditional mail to the above-mentioned address or by e-mail to the address: contact@molecure.com.

Data Protection Officer

Please be advised that the Controller has not appointed a Data Protection Officer. Inquiries regarding the protection of personal data should be directed to the Controller by traditional mail to the Controller's address or by e-mail to the following address; contact@molecure.com.

Who is the supervisory authority?

We hereby inform that the supervisory authority is the President of the Office for Personal Data Protection (Office for Personal Data Protection), 2 Stawki Street, 00-193 Warsaw, contact to the supervisory authority is available at: <https://uodo.gov.pl/pl/p/kontakt>.

Information about the Joint controllers

1. Please be advised that the Controller runs a fanpage on Facebook (hereinafter FB) called Molecure SA (@Molecure): <https://www.facebook.com/Molecuresa>. Please be advised that in connection with running a fan page on FB, there is co-administration (Article 26 of the GDPR). The Joint controllers with regard to personal data processed on the fanpage are or may be:
 - 1) MOLECURE S.A. with headquarters in Warsaw, address: Żwirki i Wigury Street 101, 02-089 Warsaw, KRS 0000657123,
 - 2) Facebook Ireland Limited, with its registered office at 4 Grand Canal Square, Grand Canal Harbor, Dublin 2, Ireland,
2. Please be informed that the Joint controllers made common arrangements. The arrangement between Joint controllers is available at: <https://www.facebook.com/legal/controller>,
3. Please be noted that regardless of the arrangements made between the Joint controllers, the data subject may exercise his rights under the GDPR with respect to each of the data Controllers separately,
4. Contact details to the Data Protection Officer:
 - 1) Please be advised that the Controller MOLECURE S.A. did not appoint the Data Protection Officer. Inquiries regarding the protection of personal data should be directed to the Controller by traditional mail to the Controller's address or by e-mail to the following address contact@molecure.com,
 - 2) Contact details to the Data Protection Officer on behalf of Facebook Ireland Limited are available at: <https://www.facebook.com/privacy/explanation>.
5. We hereby inform that that in connection with the occurrence of Joint controllers, the supervisory authorities competent for the Controllers are:
 - 1) for MOLECURE S.A. - President of the Personal Data Protection Office (Personal Data Protection Office), 2 Stawki Street, 00-193 Warsaw, contact to the supervisory body is available at: <https://uodo.gov.pl/pl/p/kontakt>,
 - 2) for Facebook Ireland Limited - Data Protection Commission, 21 Fitzwilliam Square South, Dublin 2, D02 RD28, Ireland: <https://www.dataprotection.ie/>.

What types of cookies are used?

The following types of cookies are or may be used on the website and subpages of the Controller's website:

- 1) technical, operational, optimizing navigation and display of content posted on the website,

- 2) analytical, profiling, tracking,
- 3) third party cookies,
- 4) cookies of other websites.

The use of analytical, profiling and tracking cookies

Please be advised that the Controller uses the analytical, profiling and tracking cookies described below on the website. Please be advised that in the case of the following cookies, the legal basis for the processing of personal data is Art. 6 (1) a) GDPR - consent of the data subject. Please be advised that consent is voluntary, and failure to do so will mean that cookies will not be used for the purposes for which they were provided. Withdrawal of the consent granted for analytical, profiling and tracking cookies is carried out by deleting them in the web browser:

No.	The name of the cookie	Description	Validity period
1.	_ga	Analytical cookie - is installed by Google Analytics for a period of 2 years. The cookie is used to calculate visitors, sessions, campaigns and website usage data to compile a website analytical report. The cookies store information anonymously and assign a randomly generated number to identify unique visitors: https://policies.google.com/technologies/cookies?hl=pl	2 years
2.	_gid	Analytical cookie - this cookie is set by Google Analytics and is used for 1 day. The cookie is used to store information about how visitors use the website and helps in compiling an analytical report on how the website is performing. The collected data includes the number of visitors, the source they come from and the pages visited anonymously: https://policies.google.com/technologies/cookies?hl=pl	1 day
3.	_gat	Technical cookie - this cookie is set by Google Universal Analytics to limit the number of requests in order to reduce data collection on high traffic websites and is used for 1 minute: https://policies.google.com/technologies/cookies?hl=pl	1 minute

Operational, technical and optimization cookies

Please be advised that the Controller uses the operational, technical and optimization cookies described below on the website. Please be advised that in the case of the following cookies, the

legal basis for the processing of personal data is Art. 6 (1) f) GDPR - processing is necessary for the purposes of the legitimate interests pursued by the controller. Please be noted that the actions described below are considered as the legitimate interest of the Controller:

No.	The name of the cookie	Description	Validity period
1.	wpml_browser_re direct_test	Functional cookie - This cookie is set by the WordPress WPML plugin and is used to test if cookies are enabled in the browser	session-based - after closing the page
2.	_icl_visitor_lang_js	Functional cookie - This cookie is stored by the WordPress WPML plugin. The purpose of the cookie is to store the redirected language	1 day
3.	PHPSESSID	Perational cookie - This cookie is native to PHP applications. The cookie is used to store and identify the user's unique session ID in order to manage the user's session on the website. This cookie is a session cookie that is deleted when all browser windows are closed.	session-based - after closing the browser
4.	cookieinlawinfocheckboxnecessary	Technical cookie - this cookie is set by the GDPR Cookie Consent plugin. Cookies are used to store the user's consent to cookies.	1 hour

Third party cookies

On some webpages or subpages belonging to the Controller, cookies from other parties may be used, and content from external entities, such as Facebook, YouTube, LinkedIn, Twitter, may also be displayed. To view third party content, you must first agree to their specific terms and conditions. Part of these conditions is the cookie policy, over which the Controller has no control and is not responsible for the processing of personal data collected via cookies of these websites:

No.	Third party name	Link to information

Disclosure of personal data

Please be advised that personal data is disclosed to data recipients. The categories of recipients are entities that provide marketing services, advertising agencies, marketing agencies with which the Controller has concluded Data Processing Agreement based on art. 28 GDPR. The list of entities to which personal data is entrusted is available at the request of the data subject.

Implementation of the rights of data subjects

We would like to inform you about the right to request the Controller to exercise the following rights:

- 1) the right to access personal data relating to the data subject,
- 2) the right to rectify personal data,
- 3) the right to delete personal data (erasure of personal data),
- 4) the right to limit the processing of personal data (restriction of processing),
- 5) the right to object to the processing,
- 6) the right to transfer data (the right to data portability),
- 7) the right to receive a copy of your personal data,
- 8) the right to lodge a complaint with the supervisory body (<https://uodo.gov.pl/pl/83/155>).

Please be advised that due to the individual purposes of processing listed in this Cookie Policy, the exercise of the rights of data subjects may be fully or partially limited, e.g. due to applicable law, which obliges the Controller to process them.

Data Protection Impact Assessment (i.e. DPIA)

1. If a given type of processing - in particular with the use of new technologies - due to its nature, scope, context and purposes, is likely to result in a high risk of violating the rights or freedoms of natural persons, the Controller, prior to processing, shall assess the effects of the planned processing operations for the protection of personal data,
2. Please be informed that that due to the use of analytical, profiling and cookies on the website, personal data processed through the above-mentioned cookies may be transferred to a third country, i.e. outside the EEA. In the event of transfer of personal data outside the European Economic Area, a given country may not provide sufficient protection of personal data, may not ensure the implementation of rights under the GDPR, personal data protection may be violated. Please be advised that the transfer of personal data outside the EEA may involve a high risk of not ensuring sufficient security for the personal data being processed,
3. List of entities that may transfer personal data outside the EEA, which may not ensure sufficient protection of personal data provided for in the GDPR:

No.	Name of the entity	Link to information	Possible negative consequences for the data subject - the risk related to the transfer of personal data outside the EEA
1.	Facebook	https://www.facebook.com/legal/terms	1) unauthorized access to data, 2) loss of control over your data, 3) no possibility of exercising the rights under the GDPR, 4) other, negative effects indicated in recital (75) of the preamble to the GDPR: material and non-material effects
